- Generate ideas.
 - Use games and exercises to “warm up” your creative thinking.
 - When ideas slow down, try another exercise to generate fresh ideas.
 - Breaking into smaller groups may be helpful.
- Use a computer to capture every comment/idea.

- Review ideas for reaching our Rossie T. Hollis and Mattie E. Coleman Children from the local churches.
- Suggest that children are encouraged to SOAR.
- Encourage our children to read about characters who look like them such as: *The World Needs Who You Were Made to Be* by Joanna Gaines; *The Day You Begin* by Jacqueline Woodson
- Adult Missionaries- Read **SELF LOVE WORKBOOK FOR WOMEN BY** Megan Logan, MSW, LCSW.

Next Steps -

- Describe what happens next:
 - Research the ideas generated?
 - Follow up with larger group?
- Generate action items for follow-up:
 - Start turning ideas into reality.
 - Video the children's responses as they read and share their book.
 - Say prayers with the children
