Hymn: *“God Will Take Care of You”*

Scripture: **Psalm 23**

Prayer: *As the Spirit Leads*

Title: **Our Provider**

Jillian did not know what to do. She had been out of work since March of 2020, her unemployment benefits had run out, and her landlord had just served her an eviction notice. On top of all if this, she

could not go back to work because her youngest child, who was too young to receive the COVID-19 vaccination, had a compromised immune system and was not able to return to the classroom. Jillian had to stay home and care for her child.

She had been keeping up with her daily devotions, meditations, prayers, and doing what she could as a disciple of Christ to share His love and blessings with others. Her prayer on this morning was for provision for children. However, her current circumstances were so overwhelming, she was losing hope.

As Jillian was washing the dinner dishes, she received a phone call. The voice on the other end asked if she would be willing to house sit for 12 months, all she needed to do was provide her own food. And yes, her children were in the offer.

**Words of Encouragement:** Like Jillian, many of us face life circumstances which are overwhelming and on occasion cause our hope to wane. When we experience times such as this, we need to remember David’s words, “The Lord is my shepherd, I shall not want.” Psalm 23:1 reminds us that God provides all that we need.

**Prayer:** Dear Gracious Father, we thank you for your continued love and care. Please forgive us for those times when our faith and trust in you have been less than the size of a mustard seed. Let your Spirit continue to strengthen our faith, helping us to realize that if you allowed us to see a dark time, you will lead us to the light. In the name of Jesus Christ, we pray. Amen.
