

Resolution: 5-5

Stipulation for Service

WHEREAS: The Women's Missionary Council was established in 1918, and we continue in celebration of 100 years of service to God and the Christian Methodist Episcopal Church.

WHEREAS: The first council president Dr. Mattie E. Coleman fought to establish a working entity of women, to prove that women kind could accomplish and achieve goals that some thought was unattainable.

WHEREAS: Because of our rich heritage and purpose to serve all mankind, essentially to edify and build the body of Christ; by "Investing in the Future through Education, Outreach and Service".

BE IT NOW THEREFORE RESOLVED: That understanding, serving in any position requires commitment, dedication and discretion. A person holding the identical position on the Local, District and Regional levels can be conflicting and eliminates the organizations checks and balances. In addition, there are no clear segregation of duties; therefore, leaving a large margin of error to occur in the subsequent divisions. Thus, to sustain the integrity and excellence of the overall society an individual may hold only one position on the Local, District and Region level, provided the positions held are different on each level.

Respectfully submitted,

Donna Johnson, President, Oakland District Women's Missionary Society

Heidi Faulk, Asst. Secretary Oakland District Women's Missionary Society

Linda Cole, Member

Cheryl Johnson, Member

Ashley Holland, Member
