Isola C. Lark, Representative***

I am honored to be appointed the Women's Missionary Council Representative to the American Bible Society by our International President, Jacqueline Scott. I am humbled, honored, and thankful to God for the opportunity to serve as we work together as "Chosen People-Called to Proclaim" God's Word to all nations.

The American Bible Society is a Christian ministry engaging people with the life-changing message of God's Word since 1816. The American Bible Society is a United States based Nondenominational Bible Society which publishes, distributes, and translates the Bible and provides study aid and other tools to help people engage with the Bible.

The American Bible Society Mission Statement is to make the Bible available to every person in a language and format each person can understand and afford so people may experience its life-changing message.

The American Bible Society strives to change the landscape of Bible engagement in the US by:

Partnering with church leaders in the United States

- ❖ Advocating for the Bible in American Culture*
- ❖ Equipping Ministry leaders with customized Bible resources*

The American Bible Society also work in faraway places fulfilling the yearning for a world where every person in every country has access to God's Word through partnerships to:

- ❖ Translate the Bible into all languages*
- ❖ Distribute God's Word in unreached communities*
- ❖ Restore broken lives through Scripture-Based Trauma Healing programs*

Some additional Ministries and projects of The American Bible Society include:

- ❖ Daily Bible Reading Resources*
- ❖ The American Association of Christian Counselors*

I encourage Missionary Society presidents of each region, district, and local church to appoint an American Bible Society Representative to:
